We do a kindergarten screening test which enables our kindergarten teacher to work better with each child and know what to expect. Our testing date for this year is April 1, 2026.

Kindergarten students will perform in the Spring program.

The teacher will be inserting some extra eye and hand coordination programs to help better prepare them for 1<sup>st</sup> grade.

Kindergarten students will need a physical and dental exam completed by the beginning of school. If you choose to send your child here, we will give you the forms that we need completed.

Thank-you,

Mr. Roger Stoner  
Principal
